

## PBIS Premise

Students will learn better behavior when motivating consequences are combined with teaching, practice and recognition of a “better” behavior.

## Steps For Implementing PBIS

- ✓ Build a leadership team representing staff and families
- ✓ Evaluate program strengths and needs
- ✓ Establish a clear set of positive behavior expectations
- ✓ Implement procedures for teaching expected behaviors by all staff
- ✓ Develop a procedure for acknowledgment of expected behaviors

## Reinforcement System

Smiles  
Individual Stickers  
Letter Home  
Classroom Tickets  
Classroom Celebrations

## Program Benefits

- ◆ More positive classroom environments
- ◆ Consistency throughout the program
- ◆ Less classroom time spent on behavior management

## Become a PBIS Partner

- ★ Acknowledge through praise
- ★ Familiarize yourself with PBIS rules at home
- ★ Incorporate natural/logical consequences
- ★ Redirect
- ★ Offer choices
